**City of Tuscaloosa Municipal Election**  
 Revised 9/27/2023  
**General Election - Tuesday, March 4, 2025**

Purple lines indicate deadlines involving **monthly** reports. Monthly reports are due on the second business day of the subsequent month beginning twelve (12) months before the election date upon crossing the \$1000 raising/spending threshold OR upon qualifying with a political party [§17-5-8(a)(1)]. Monthly reports are not due if filing weekly reports [§17-5-8(k)].

Blue lines indicate deadlines involving **weekly** reports. Beginning 4 weeks before the election date, weekly reports covering the period Saturday through Friday are due on the Monday of the subsequent week [§17-5-8(a)(2)]. The last weekly report is not due if filing daily reports [§17-5-8(k)].

Green lines indicate deadlines involving **annual** reports. Except for committees and PACs already filing monthly reports, all active committees must file a report of all contributions and expenditures made during that year on or before January 31 of the succeeding year [§17-5-8(b)].

Principal campaign committees and PACs must file a report disclosing the receipt of any single contribution of \$20,000 or more within two (2) business days of receiving the contribution if the contribution has not already been reported in a scheduled finance disclosure report [§17-5-8.1(c)].

Electioneering communication is defined as any communication disseminated through any federally regulated broadcast media, any mailing, or the distribution, electronic communication, phone bank, or publication in which the advertisement: (1) contains the name and image of a candidate; (2) is made within 120 days of an election in which the candidate will appear on the ballot; (3) the only reasonable conclusion to be drawn from the presentation and content of the communication is that it is intended to influence the outcome of an election; and (4) entails an expenditure in excess of \$1,000.00 [§17-5-2(a)(5)].
