Online Service Available:

The name reservation request may be fully processed in real-time online. Go to www.sos.alabama.gov and click on Business Services (below the picture), and scroll down to Name Reservation Menu. Non-subscribers pay a \$28.00 fee with a credit card and receive the reservation by printing it immediately at the end of the process.

Mailing of Certifications of Name Reservation:

All documents not processed online are mailed standard USPS unless preaddressed envelopes with special postage or overnight courier envelopes are included with the request. Any overnight courier envelopes must have a completed air bill showing no reference to the Office of the Secretary of State, with the billing information completed and clearly marked "bill recipient" – if they are not completed in this manner they will be discarded.

Checking the Availability of a Name:

Go to www.sos.alabama.gov and click on Business Services (below the picture) then click on Business Entity Search, you can search the database under the Entity Name by typing in the name that you would like to use for your entity excluding entity identifiers such as Inc., LLC, etc. and any punctuation. Do not complete any of the other boxes on the search page and the system will show all entities using the name or, in many cases, similar names. Entity names must be distinguishable, excluding entity designations, on the index from existing names [10A-1-5.03]. Performing the search may shorten the time it takes to get a Name Reservation completed if you file on paper by reducing rejections. **If you use the Online Filing method, the search is a part of the process and it is not necessary to perform it separately.**
