ELECTIONEERING ♦ LOITERING ♦ DISTURBANCES

1) VOTING ASSISTANCE:

- **RIGHT** - Any voter who requests voting assistance may receive help from any person the voter chooses *except the voter's employer, an agent of the employer, or an officer or agent of the voter's union*. **THE VOTER DOES NOT NEED TO STATE A REASON FOR REQUESTING ASSISTANCE.** [§ 17-9-13(a)]

VOTING ASSISTANCE ♦ SPOILED BALLOTS

A voter may be placed on the **INACTIVE VOTER LIST** if the Board of Registrars is unable to confirm the voter's address through the NVRA-compliant voter file maintenance process. (§ 17-4-30)

Voters on the **Inactive Voter List** are indicated on the poll list by the letter "I" next to their names. However, in some counties, inactive voters may be listed on a separate poll list. Your Probate Judge will provide instruction regarding how inactive voters are indicated on your county's poll list.

Inactive status: Once on the inactive list, the voter can be restored to "active" status by updating his or her address information with the local Board of Registrars. (§ 17-4-9)

NOTE: A voter on the inactive list may vote a regular or provisional ballot after the voter completes a Voter Reidentification "Update" Form. (§ 17-4-9) Please follow the steps below for an inactive voter at the poll.

Once you determine that a voter is inactive, a poll worker should follow these steps:

1. Inform the voter that he or she is on the inactive list because the Board of Registrars needs to obtain current address information from him or her.
2. Provide the voter with **Voter Reidentification "Update" Form (NVRA-20)** included with the supplies for the polling place, and instruct the voter to fill out the form completely.
3. If a change in address does not change the voter's polling place, allow the voter to vote following the standard voting procedures after completely filling out the Voter Reidentification "Update" form (NVRA-20) and returning it to the poll worker.
4. If a change in address is within the same county and changes the voter's polling place, direct the voter to the new polling place. Inform the voter that he or she will be required to vote a provisional ballot at the new polling place, *Davis v. Bennett*, 154 So. 3d 114 (Ala. 2014), but once the properly completed PB-3 form and the Voter Reidentification "Update" Form (NVRA-20) are received by the Board of Registrars, the vote should be counted.
5. If a change in address is outside the county, the person is not eligible to vote.
6. After the closing of the polls, collect all of the completed Voter Reidentification "Update" Forms (NVRA-20) and place them in the envelope addressed to the Board of Registrars.

INACTIVE VOTER ◆ UPDATING

HOURS OF VOTING - Each polling place is open for voting from 7:00 am to 7:00 pm: All voters who are in line to vote at 7:00 pm shall be permitted to vote before closing the polling place. Anyone who attempts to join the voting line after 7:00 pm shall not be permitted to vote.

VOTING TIME ALLOWANCE - Poll workers should make every effort to give each voter adequate time to vote. Only if others are waiting in line to vote may poll workers use the following procedures to prevent long delays:

- 1) Any voter remaining in a voting station for four minutes or longer may be asked by a poll official if he or she requires assistance. [§ 17-9-13(b)]
- 2) Remind voter that he or she has the right to have the assistance of anyone who is in the polling place, including another voter or poll worker. [§ 17-9-13(b)] *Exception: The voter's employer, an agent of the employer, or an officer or agent of the voter's union may not assist the voter.* [§ 17-9-13(a)]
- 3) **If the voter does not desire assistance:**
 - The voter shall be permitted to remain in the voting station for **no less than one additional minute.** [§ 17-9-13(b)]
 - At the end of this additional minute, and if there exists a line of individuals waiting to vote, the voter may be informed that time is up and be asked to leave. If there is no line, the voter shall have as much time as necessary to finish voting. [§ 17-9-13(b)]
- 4) **If the voter requests assistance:**
 - The voter may have the assistance of any person of his or her choosing currently in the voting place, (except for the voter's employer, an agent of the employer, or an officer or agent of the voter's union) and may have no less than an additional five (5) minutes to vote. [§ 17-9-13(b)] The voter must specifically request assistance by naming the person from whom assistance is sought. [§ 17-9-13(a)]
 - At the end of this additional five minutes, and if a line of individuals are waiting to vote, the voter may be informed that time is up and be asked to leave the voting station. If there is no line, the voter shall have as much time as necessary to finish voting. [§ 17-9-13(b)]
 - Before an assigned voter exits the voting place, the voters' poll list must be revised to reflect that assistance was received. [§ 17-9-13(b)] The voter must sign in the appropriate column of the voter's list, and the person providing assistance must sign in the adjacent column on the same line as the assisted voter's name. [§ 17-9-13(a)]

TIME ALLOWED TO VOTE

APPLIES ONLY IN PRIMARY AND PRIMARY RUNOFF ELECTIONS

If on primary election day, a voter participates in the primary election of a political party, that voter may only participate in the primary runoff election of that same party. (§ 17-13-7.1)

If the voter did not participate in the primary election or voted an issues-only ballot, he or she may choose to vote in either political party runoff election.

During primary elections, poll workers must notate in the appropriate place on the poll book the party primary in which the voter participates.

During primary runoff elections, poll workers must verify the party indicated on the poll list and may only allow the voter to participate in the party primary runoff indicated.

If the voter disputes the political party indicated on the poll list when they appear on the date of the primary runoff election, please direct the voter to the provisional ballot officer.

CROSS-OVER VOTING

APPLIES ONLY IN A NON-MUNICIPAL GENERAL ELECTION

- 1) Because primary and primary runoff elections are political party functions, a voter may choose only among those names the political parties place on their ballots. Therefore, the voter may not write in a vote in a primary or primary runoff election.
- 2) A voter may cast a write-in vote in a non-municipal general election. (§ 17-6-28)
- 3) In order to cast a valid write-in vote, the voter must do the following:
 - Write the name on the ballot, and
 - Register the vote by placing a mark on the ballot in the space designated for that office. [§ 17-6-28(b)]

WRITE-IN VOTING

IN A PRIMARY OR PRIMARY RUNOFF ELECTION:

A voter may participate in only one political party's primary [§ 17-13-7(a)]; therefore, split-ticket voting is prohibited during the primary and primary runoff phase of the election cycle.

- In a primary or primary runoff election, a voter must tell the polling official in which party election he or she wishes to participate. [§ 17-13-7(b)] The voter will then receive a ballot containing only the names of that political party's candidates. (§ 17-13-8)
- In a primary or primary runoff election, a voter may not select among one political party's candidates for one office and then vote for another political party's candidates seeking a different office. **For example, a voter may not vote for one political party's candidates for president and then, in the same election, vote for another political party's candidates in a congressional, state, or county race.**

IN A GENERAL ELECTION:

In a general election, voters may select candidates from different political parties. (§ 17-6-38) This is split-ticket voting. A voter may vote for **only one candidate for each office.**

SPLIT-TICKET VOTING

A voter may use any of the following forms of photo identification at the polls:

1. A valid **Alabama Driver's License** (not expired or has been expired less than 60 days)

11. A valid **Tribal ID**

NOTE: If you have a question about the validity of a form of photo ID, please contact the Board of Registrars or the Secretary of State's Office.

Provisions for voters who fail to bring a proper form of photo ID to the polls:

- If two (2) election officials positively identify a voter as a voter on the poll list who is eligible to vote and sign the **Election Officials' Affidavit for Identifying Qualified Elector**, the voter can cast a regular ballot. [§ 17-9-30(f)]

If a voter cannot be positively identified by two (2) election officials, the voter can cast a provisional ballot. The voter should be directed to the precinct's provisional ballot officer for ballot processing. In order for the provisional ballot to be counted, the voter is required to present a proper form of photo identification to the Board of Registrars no later than 5:00 p.m. on the Friday following Election Day. [§§ 17-10-1(c), 17-10-2(a)(3)]
