Dear Voters of Alabama:

As citizens of Alabama, voting is one of our most fundamental rights. By exercising your right to vote, you have the amazing opportunity to voice your personal opinion and participate in the selection of our newest elected officials.

Beginning with the 2014 Primary Election, the State Legislature mandated that a voter present a photo ID prior to voting. If a voter does not have a valid photo ID, such as a driver’s license, nondriver ID card, or any other valid photo ID as listed on page 8 of this guide, the voter may receive one free of charge from his or her county Board of Registrars Office or the Secretary of State’s Office.

During the months of May to October of 2021, mobile units visited each of the 67 counties at least once to provide eligible voters convenient locations to apply for and obtain a free Alabama photo voter ID card. The Office of the Secretary of State will again visit each of the 67 counties during the months of May to October of 2022. To view a list of all mobile unit scheduled events or to request a mobile unit, please visit www.alabamavoterid.com.

A voter who is required to present a valid photo ID but who does not do so will be allowed to vote a provisional ballot as provided for by law (see page 9 for details).

In addition, a voter who does not have a valid photo ID in his or her possession at the polls will be permitted to vote a regular ballot if the individual is positively identified by two election officials as an eligible voter in their precinct.

This booklet is an educational tool to inform voters about the voter identification requirements and seeks to prevent any confusion that may be experienced on Election Day. Please review the standards, and if you have any questions, you may call our Elections Division at 1-800-274-8683 or 334-242-7210 or visit www.alabamavotes.gov.

May God bless you and the great State of Alabama!

Sincerely,

John H. Merrill

**CHANGES IN LAW**

During the 2011 Regular Legislative Session, the Legislature approved House Bill 19. Governor Robert Bentley signed the bill, and it was subsequently assigned Act Number 2011-673.

**Beginning with the June 3, 2014 Primary Election, Act 2011-673 requires an Alabama voter to have a specific type of photo identification at the polls in order to vote.** If a voter does not have one of the approved forms of photo ID as stated in the law, then he or she may receive a free Alabama photo voter ID card from various locations.

During the 2019 Regular Legislative Session, the Legislature approved Senate Bill 301. Governor Kay Ivey signed the bill, and it was subsequently assigned Act Number 2019-507.

**Beginning on August 1, 2019, Act 2019-507 requires an Alabama voter to include a copy of his or her photo identification with an application for an absentee ballot.** If an absentee election manager receives an absentee ballot application on or after the eighth day prior to an election, the absentee election manager shall issue a provisional absentee ballot. If a voter receives a provisional absentee ballot, they must either include a copy of photo identification with the absentee ballot or present a valid photo ID to the Board of Registrars no later than 5 P.M. on the Friday following the election.
This guide will explain the photo identification process and let voters know how to be prepared for all elections. For more information, you may contact the Elections Division of the Office of the Secretary of State at 800-274-8683 or 334-242-7210.

IMPLEMENTATION PROCESS

The Secretary of State’s Office was tasked with writing administrative rules to direct the process of receiving free photo IDs. Those administrative rules can be viewed on the Secretary of State’s website at www.sos.alabama.gov or www.alabamavotes.gov. The Secretary of State was also tasked with selecting a vendor for processing the cards. Police and Sheriff’s Press, Inc. was chosen as the vendor. The Secretary of State’s Office set up training and provided equipment for the process to begin in all 67 counties in the State of Alabama.

The voter casting a provisional ballot will have until 5 P.M. on the Friday after the election to submit valid photo ID. Otherwise, the ballot will not be counted.

In addition, a voter who does not have a valid photo ID in their possession at the polls shall be permitted to vote a regular ballot if the individual is positively identified by two election officials as a voter on the poll list who is eligible to vote and the election officials sign a sworn affidavit.

**What if I do not have any of these forms of ID?**

If a voter does not have one of the valid forms of photo ID, then they may obtain a free Alabama photo voter ID card or a free nondriver ID for purposes of voting.

IS MY FREE ALABAMA PHOTO VOTER ID CARD SECURE?
The vendor selected to produce the IDs has set many security measures within both the ID card itself and the receipt. It will be
extremely difficult for someone to fake an Alabama photo voter ID card.

County-level poll workers will be trained in these security measures and will know what to look for on Election Day.

**WHAT ABOUT VOTERS WHOSE POLLING PLACE IS INACCESSIBLE DUE TO AGE OR DISABILITY?**

The Secretary of State’s Office has addressed voters who are elderly or who have a disability with an exception to the absentee ballot ID requirement when the voter’s polling place is not accessible.

A voter who is entitled to vote by absentee ballot pursuant to the Voting Accessibility for the Elderly and Handicapped Act or any other federal law **shall not be required to produce identification when voting by absentee ballot.**

Voters who fall within this category will be able to check a box on their absentee ballot application, which states that their polling place is not accessible and that they fall under the definition of elderly (age 65 or older) or handicapped. The Absentee Election Manager will not require an ID in order for these ballots to be counted.

**Definition of “accessible” as it relates to voters who are elderly or who have a disability:**

Pursuant to Section 8 of the Voting Accessibility for the Elderly and Handicapped Act (subchapter 1-F of Chapter 20 of Title 42 U.S.C), the Secretary of State has determined that the term “accessible” as applied to handicapped and elderly voters shall mean that the location of the polling place is physically accessible to handicapped and elderly voters.

If a handicapped or elderly voter is unable to access their assigned polling place due to a neurological, musculoskeletal, respiratory, cardiovascular, or other life-altering disorder that affects the ability to perform manual tasks, stand for any length of time, walk unassisted, see,
hear, or speak, that voter’s polling place is not “accessible” to them.

WHAT ABOUT VOTERS WHO ARE MEMBERS OF THE MILITARY OR WHO RESIDE OVERSEAS?

An individual eligible to vote by absentee ballot pursuant to the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) is not required to provide ID prior to voting.

The term “UOCAVA voter” includes anyone who is a member of the Uniformed Services (including their spouse and dependents), Merchant Marines, commissioned corps of the Public Health Service, and the National Oceanic and Atmospheric Administration. It also includes anyone who is a U.S. citizen residing overseas whose last place of residency prior to moving overseas was in Alabama.
