

Lawyers for Liberty

Alabama Secretary of State Wes Allen and the Alabama State Bar have implemented the Alabama Lawyers for Liberty program which offers Mandatory Continuing Legal Education (MCLE) credit to Alabama attorneys that attend poll worker training and serve as poll workers.

Attorneys seeking to participate must:

- Apply and be appointed by the county appointing board (Probate, Sheriff, Circuit Clerk) to be a poll worker.
- Attend the required poll worker training administered by the county probate judge prior to the election in which the attorney will serve;
- Serve as a poll worker in the county in which the attorney is registered to vote for no less than 8 hours on election day at a polling location designated by the county probate judge; and
- Complete this form, have the county probate judge execute his or her signature, and submit the form to the Alabama State Bar.

Attorney poll workers will receive 4 hours of credit each time they meet the above requirements, but are limited to 8 hours credit per year.

I certify that I have met the above requirements to achieve 4 hours of MCLE credit:
