BE IT RESOLVED by the Republican Party of Alabama, acting by and through the Alabama Republican Executive Committee, as follows:

1. Except as limited by paragraph 2 hereof, the Republican Party of Alabama hereby accepts and comes under the primary election laws of the State of Alabama.

2. The Republican Party of Alabama hereby declines to accept and come under the primary election laws with regard to the nomination and selection of electors for President and Vice President of the United States for the general election to be held November 2, 2004, and in lieu thereof the Republican Party of Alabama hereby declares that electors for President and Vice President of the United States for the general election to be held November 2, 2004 shall be nominated and selected by the Alabama Republican Executive Committee at its regular meeting to be held in June, July or August of 2004, or at any special meeting held prior to September 6, 2004, where the nomination and selection of such electors are included in the call of such special meeting. The Republican Party of Alabama further declines to come under the provisions of the primary election laws with respect to nomination and selection of the Republican National Committeeman and Committeewoman for Alabama (who shall be nominated and selected by the Alabama Republican Executive Committee).

3. Each person desiring to be elected as nominee of the Republican Party for public office other than for county office as defined in Section 17-16-11 of the 1975 Code of Alabama shall, not later than 5:00 p.m. on April 2, 2004, file with the Chairman of the Alabama Republican Executive Committee or his authorized representative a declaration of candidacy in substantially the form attached and incorporated by reference as Exhibit "A" hereto and simultaneously therewith pay to the order of the Alabama Republican Executive Committee the following qualification fee:

2% of the annual salary applicable to the office for any remunerative public office which is not a county office as defined in such Section 17-16-11;

\$50.00 for an unremunerative office other than a county office as defined in such Section 17-16-11.

Persons desiring to qualify for more than one office which is to be elected or for which a nomination is to be made shall file a separate declaration of candidacy as to each such office and pay the qualifying fee prescribed for each such office. A person may not qualify for more than one public office in the event state law would prohibit holding the offices simultaneously.

In the event a candidate is unable to pay any qualification fee prescribed above, such candidate may certify inability to pay the same, and such inability shall be reviewed and its truthfulness shall be ascertained by the Candidate Committee provided for in paragraph 5 hereof. In the event such candidate's certification of inability to pay is found by the Candidate Committee to be untrue, his or her candidacy shall be disallowed.

4. Each person desiring to be elected as the nominee of the Republican Party to a county office as defined in Section 17-16-11 of the Code of Alabama of 1975, as amended, shall, not later than 5:00 p.m. on April 2, 2004, file with the chairman of the county executive committee of the applicable county (but should there not be a chairman at the time of such filing, then with the Chairman of the Alabama Republican Executive Committee or his authorized

representative) a declaration of candidacy in substantially the form attached hereto as Exhibit "A" and simultaneously therewith pay to the order of the applicable county executive committee such qualifying fee as the said county executive committee shall have established. The county executive committee for any county (or, if there be no county executive committee, then the Chairman of the Alabama Republican Executive Committee) is authorized to appoint election sub-committees, to set qualifications for county office as defined in such Section 17-16-11, and to take any and all other action with regard to the primary election and general election embraced by this resolution as such county executive committee deems necessary and proper; provided, however, that (a) such appointment, setting of qualifications and other action is not in conflict with this resolution or the laws of the state, (b) no candidate shall be required to sign any so-called loyalty oath, and (c) any qualifying fees shall be uniform within the county for the same office.

5. The members of the Steering Committee of the Alabama Republican Executive Committee are hereby appointed and constituted as the Candidate Committee. The Chairman and Secretary of the Alabama Republican Executive Committee shall be the Chairman and Secretary, respectively, of the Candidate Committee. The Candidate Committee shall meet on call of its chairman, a majority of its members shall constitute a quorum and the action of a majority of its members present at a meeting at a time when a quorum is present shall be binding upon, and constitute action of, the Candidate Committee; provided, that action consented to by at least twelve of the members of the Candidate Committee by telephone, verbally or in writing and without a formal meeting, shall be binding upon, and shall constitute action of the Candidate Committee, but a description of such action shall be reduced to writing and promptly mailed to each member of the Candidate Committee. The Alabama Republican Executive Committee expressly reserves the right to review and to reverse or otherwise supersede action taken by the Candidate Committee. The Candidate Committee shall have and possess the following powers: (a) to review any declaration of candidacy, to determine if the candidate meets the qualifications prescribed in this resolution, and to direct the Chairman of the Alabama Republican Executive Committee not to certify a candidate which the Candidate Committee finds does not meet such qualifications; (b) to fill vacancies in any nomination for any public or party office with regard to the primary or other election and the general election where such vacancy exists by reason of death, resignation, disqualification, revocation or otherwise, and (c) to hear, consider, and decide and generally to have all the rights, duties, powers and authority of the Alabama Republican Executive Committee with regard to contests presented to said state committee under the provisions of Article 2 of Chapter 16, Title 17 of the 1975 Code of Alabama, as amended, including the right to prescribe appropriate rules governing any such contest; provided, however that such rules shall grant to the parties to any such contest their basic constitutional rights and privileges and shall not conflict with the provisions of said Article 2.

6. The Chairman of the Alabama Republican Executive Committee is hereby authorized and empowered to appoint from time to time such subcommittees as he deems appropriate to look after, supervise and conduct the primary or other election and the general election which are the subject of this resolution; to receive returns from, and canvass and tabulate and declare the results of, and certify to any primary or other election held under the laws of Alabama; and generally to delegate to and confer upon any such subcommittees the right, power and authority to do and perform any act or thing which the Alabama Republican Executive Committee could do or perform with regard to such primary or other election, or general election.
