Marty Conners, Chairman  
State Executive Committee  
Alabama Republican Party

Dear Mr. Conners:

I am deeply honored to be in a runoff with Judge Mike Bolin for Supreme Court of Alabama, Place 3. However, it is my personal decision to forego entry into the upcoming runoff and, instead, fully endorse and support Mike Bolin as the nominee of the Republican Party for Place Three on the Supreme Court of Alabama.

As all know who followed this race, Mike was barely shy of the majority needed for nomination without a runoff. Both Mike and I received endorsements from conservative Christian groups throughout the state, and I believe that both of us share core Christian beliefs and values. Mike has assured me that he will firmly defend public display and commemoration of our Christian heritage and symbols. Therefore, I can and will support Mike Bolin as party nominee without qualification.

I have also considered the expense to the taxpayers of Alabama of conducting a statewide runoff in a single race. At a time when Alabama faces severe budget constraints, I believe that the public interest will be well served by resolving the nomination for Place Three without the expenditure of over a million dollars in public funds.

This has been my first venture into a statewide race. Achieving a runoff with a small start and limited resources is a victory in itself. Nonetheless, Mike Bolin was the clear winner in this contest, and I believe stepping aside now will allow the Republican Party to get down to the serious business of winning for President George Bush and all Republican candidates. I also believe this course leaves the future open for me should I decide to seek public office again.

Mike Bolin, Peggy Givhan, and Denny Holloway all campaigned with dignity and courtesy. Running for office with this group of judges was an honor and a pleasure. I congratulate all of them for the manner in which they conducted their campaigns.

Please take all the appropriate steps to certify Judge Mike Bolin as the nominee of the Party.

Sincerely yours,

Jerry E. Stokes
