Ref: Write-in Statement for General Election

Mr. Packard;

Please find attached the write-in statement of canvass for the above election. There are only 6 of the 29 precincts I have attached unless I go into the ballot boxes. I have looked in the canvass envelope and every envelope that was sent back to me and there are not any statements in them. I didn't want to get a court order, because I didn't want to mess with the voted ballots, because the possibly of a recount on the Proposed State Wide Amendment # 2 which was so close Statewide. I have called my County Attorney and asked him to call me back to get a court order from the Circuit Judge. He has not called me back at this time of the notification to you. I have not been able to get the Circuit judge to ask him to give me an order. It Friday and they all are out of the office. I can't find where the absentee manager gave me the above statement. It would be 28 of 29. So the certified canvass and summary report by the Canvassing Board reflects that there are 29 of 29 reporting.

There were no write-in on the three (3) Provision Ballot we certified which is a precinct 29 of 29.

I am sorry I can't provide you and your office or the members who certify the votes State Wide this time.

Sincerely Yours;

Rogene Booker, Probate Judge
