## Judges, Law Enforcement, Legislators and their Spouses Voter Affirmation

In accordance with Act 2021-335, this form serves as notification to election officials to omit everything but the name of the voter from publicly available lists of registered voters who are Federal or State Prosecutors, Federal, State, Probate, or Municipal Judges, Law Enforcement Officers, or Legislators, or their spouses.

When completed, return this form to the [Board of Registrars'](#) office in the county where the individual is registered or intends to register to vote.

If the voter no longer qualifies for protected status (i.e. no longer holds office), then the voter is required to update his/her information to have the protected status removed by contacting their local Board of Registrars. The registrars will review the registrations of protected individuals following each election cycle to check for updates.
